

Par Toutatis! GAUL DEFENSE TEAM

Complete Witness Cards for Asterix & Obelix Defense

Mickey Mouse et al. v. Asterix & Obelix - Case No. 2:24-cv-08834-Disney-Gaul

ASTERIX

Village Warrior & Lead Defendant

DEFENSE TESTIMONY

- "Par Toutatis! The baffe is our ancestral birthright dating back millennia!"
- "I've baffed Romans across all of Gaul - helmets ALWAYS fly in our tradition!"
- "Our debris pattern is sacred: helmet east, sandals west, dignity scattered!"
- "Julius Caesar himself documented our superior baffing in his war diaries!"
- "We were perfecting the chaotic baffe 2000 years before America existed!"
- "Magic potion only enhances our natural Gaulish baffing prowess!"
- "When I baffed Centurion Crismus Bonus, he landed three hills away!"

CROSS-EXAMINATION QUESTIONS

- *"Mr. Asterix, isn't your 'ancient tradition' just a 1959 comic invention?"*
- *"Can you provide archaeological evidence of prehistoric baffing?"*
- *"Isn't the magic potion essentially performance-enhancing drugs?"*
- *"The violence displayed is clearly far more destructive than just a slap are you sure it's not just a punch?"*
- *"Have you considered peaceful conflict resolution methods?"*
- *"Isn't scattered debris just environmental littering? Is the baffe just a tactic to avoid legal obligations?"*
- *"How do you explain that Roman military formations still in use? They should have been extinct by now?"*

OBELIX

Village Menhir Delivery & Co-Defendant

DEFENSE TESTIMONY

- "I fell in magic potion as a baby - I AM the living baffe tradition!"
- "My baffes send Romans to different provinces entirely!"
- "Once baffed twelve legionaries simultaneously with one backhanded swing!"
- "Helmets, sandals, swords, AND Roman dignity scatter when I baffe!"
- "I don't need potion anymore - permanent baffe enhancement since childhood!"
- "Ces Romains sont fous! But they do fly beautifully in our traditional arc!"
- "My menhir work requires precision - baffing is just applied physics!"

CROSS-EXAMINATION QUESTIONS

- *"Mr. Obelix, isn't claiming you're 'not fat, just big-boned' delusional? How can we trust your word?"*
- *"How many Romans have you hospitalized with permanent injuries? Would just say baffe helped you not pay any damages or compensations"*
- *"Can you baffe anyone? Is there any limit on weight or size?"*
- *"Is your dog Dogmatix suffering from PTSD due to constant violence? Are you sure that testifying here doesn't help promote this violence further?"*
- *"Have you considered anger management or therapy for your aggression? Why is baffe so important for you?"*
- *"Isn't using excessive force a war crime, even against Roman invaders? Therefore, using the term baff or a slap a better way to avoid any legal implications?"*
- *"Don't your eating habits prove you lack self-control in all areas? And how does it really fit in your narrative?"*

CHIEF VITALSTATISTIX

Village Chief & Traditional Authority

DEFENSE TESTIMONY

- "As chief, I've overseen ceremonial baffes for decades - it's governance!"
- "The sky hasn't fallen on us - our baffes are blessed by Toutatis!"
- "During my duel with Chief Cassius Ceramix, perfect traditional scatter occurred!"
- "His helmet, shield, and moustache wax flew exactly as ancient law dictates!"
- "I carry the shield of authority - I authenticate our baffe heritage!"
- "Roman tribute collectors flee at the sight of our traditional technique!"
- "My shield-bearers witness every official baffe - documented tradition!"

CROSS-EXAMINATION QUESTIONS

- *"Chief, isn't being carried on a shield just lazy leadership?"*
- *"How can you govern effectively while constantly fearing the sky falling? Where you threatened by someone or something to be a witness today?"*
- *"Aren't ceremonial baffes just a ploy to assimilate Mickey's technique?"*
- *"Why do your people need magic potion if you're such a strong leader? Mickey doesn't need anything to baffe someone away?"*
- *"Have you considered diplomatic solutions with Disney?"*
- *"Isn't your 'ancient law' just comic book plot convenience? How can we not be sure it just copied from other sources like Disney?"*
- *"How do you explain other Gaulish tribes submitting to Rome peacefully? And why you are the only ones having such ancient technique?"*

PANORAMIX (GETAFIX)

Village Druid & Potion Master

DEFENSE TESTIMONY

- "The baffe predates even my ancient druidical training by centuries!"
- "I've studied the physics - debris scatter follows precise Celtic natural laws!"
- "My magic potion merely amplifies existing Gaulish baffing abilities!"
- "I've been accidentally baffed during experiments - my beard flew perfectly west!"
- "The golden sickle ALWAYS flies upward - it's mystical, not random!"
- "Roman helmets contain iron that responds to ancient baffe magnetism!"
- "Druidic texts describe the baffe as communion with natural forces!"

CROSS-EXAMINATION QUESTIONS

- *"Druid, isn't 'Celtic physics' just pseudoscientific nonsense? How can we accept this in court?"*
- *"What's really in that potion? Illegal steroids and stimulants? Did you force them to testify to get their next fix?"*
- *"Why won't you share the recipe if it's truly traditional knowledge? It screams copyright violation all over, how can we trust your testimony if you aren't transparent?"*
- *"Have you been sampling your own hallucinogenic supply? How can we be sure you aren't just tripping right now?"*
- *"Isn't drugging entire villages without consent a serious crime? Where you blackmailed to testify today?"*
- *"Can you provide peer-reviewed evidence that 'baffe magnetism' exists?"*
- *"Aren't you just enabling village-wide substance abuse? And got forced to testify or face serious allegations of drug dealing in your country?"*

CÉTAUTOMATIX

Village Blacksmith & Metal Expert

DEFENSE TESTIMONY

- "With my hammer-strengthened arm, I deliver the most authentic baffes!"
- "When Romans tried stealing from my forge, I baffed them into next week!"
- "Their armor scattered like hailstones - shields east, swords west, helmets skyward!"
- "I forge the weapons that fly during proper Gaulish baffes!"
- "My metalworking precision proves our baffe follows scientific principles!"
- "Roman armor is designed to scatter - they EXPECT our traditional baffe!"
- "No Disney mouse could create the force needed for authentic debris scatter!"

CROSS-EXAMINATION QUESTIONS

- *"Mr. Blacksmith, don't you fight with the fishmonger daily? How can you be sure that this technique is truly ancestral from your village?"*
- *"Isn't your constant arguing proof of poor impulse control? How can we be sure you aren't acting on impulse right now?"*
- *"How can we trust testimony from someone who hits people with hammers?"*
- *"Don't you have a vested interest in promoting weapon-scattering baffes? How much will you profit if you win?"*
- *"Why does your own metalwork get damaged during village fights?"*
- *"Isn't professional jealousy driving your testimony against Disney?"*
- *"Have you considered therapy for your obvious anger management issues?"*

ORDRALFABÉTIX

Village Fish Merchant & Trade Expert

DEFENSE TESTIMONY

- "My fish are FRESH! Anyone who says otherwise gets a traditional baffe!"
- "I once baffed a Roman merchant - his toga, purse, and dignity scattered perfectly!"
- "The smell of my fish stayed while everything else flew - that's authentic Gaul!"
- "Roman customers expect the full baffe experience when they insult my fish!"
- "My scales are precise - I know exactly how debris should scatter!"
- "Fish-selling requires quick reflexes - perfect for traditional baffing technique!"
- "The aroma enhancement makes our baffes uniquely Gaulish!"

CROSS-EXAMINATION QUESTIONS

- *"Sir, isn't your fish actually rotten and offensive? How can we trust your testimony?"*
- *"Don't you assault customers who complain about obvious spoilage? How can we be sure of the validity of your testimony?"*
- *"How can we trust someone who profits from terrible odors? Did you get bribed to testify here?"*
- *"Isn't your daily fighting with the blacksmith evidence of instability? Are you fit for trial?"*
- *"Why do you use violence to avoid valid food safety complaints? Are baffes a way to exploit this violence to distract from your questionable fresh products?"*
- *"Aren't you just a small-town bully hiding behind 'tradition'? And how can you be sure that baffes are a true Gaulish tradition?"*
- *"Has your fish ever passed a health inspection? Where you promised lenience from the French Health and Safety inspectors, if you testified today?"*

ASSURANCETOURIX

Village Bard & Cultural Historian

DEFENSE TESTIMONY

- "I'm the most baffed person in all of Gaul - I'm practically an expert witness!"
- "Every time I sing our traditional songs, someone demonstrates the baffe!"
- "My laurel wreath, my lyre, my scrolls - they fly the exact same way every time!"
- "I've composed 247 songs about the ancient art of baffing!"
- "The consistency of my baffing experiences proves it's culturally systematic!"
- "My musical training gives me perfect pitch for judging baffe authenticity!"
- "Disney's sanitized version lacks the cultural soul of true Gaulish baffing!"

CROSS-EXAMINATION QUESTIONS

- *"Mr. Bard, isn't your terrible singing the real cause of village violence? And isn't it a tradition that causes you direct harm? Where you threatened to testify?"*
- *"Don't you deliberately provoke people so you can claim victimhood? How do you profit from all these baffes?"*
- *"How can someone who gets baffed daily be considered a credible witness?"*
- *"Isn't your 'expertise' just repeated head trauma affecting your judgment? How can your testimony be validated in this court?"*
- *"Why don't you take the hint and stop singing if it causes so much violence? Did the village promised you a full performance if you testified today?"*
- *"Are you masochistic, or just completely tone-deaf to social cues? Are you mentally fit to be a witness?"*
- *"Couldn't you explain to the court the difference between Gaulish baffe and Mickey's baffe? Aren't them the same at the end?"*

RENÉ GOSCINNY

Original Creator & Historical Research Expert

CREATOR'S DEFENSE

- "Asterix and the chaotic baffe were born from my imagination in 1959!"
- "I researched Celtic warfare extensively - every detail is historically accurate!"
- "The debris scatter isn't random - it follows authentic Gaulish combat principles!"
- "Every flying helmet and scattered sandal represents millennia of Celtic tradition!"
- "My writing captures the spirit of ancient resistance against imperial oppression!"
- "The baffe represents the triumph of indigenous culture over homogenization!"
- "Disney's version sanitizes the raw power of authentic European folk tradition!"

CROSS-EXAMINATION QUESTIONS

- *"Mr. Goscinny, didn't you invent these characters in 1959, not 50 BC? Therefore, well after Mickey's use of baffes?"*
- *"Isn't your 'historical research' just creative license for comedy?"*
- *"How can you claim ancient authenticity for modern comic book inventions?"*
- *"Didn't you create Asterix to compete with American comics like Mickey?"*
- *"Isn't your 'Celtic tradition' just French nationalism disguised as history?"*
- *"Why didn't you patent the baffe technique if you truly invented it?"*
- *"Aren't you profiting from cultural appropriation of ancient Celtic peoples? What would you achieve if you win today?"*

ALBERT UDERZO

Original Artist & Visual Documentation Expert

ARTIST'S DEFENSE

- "I drew every baffe with precise chaos - each object follows Gaulish physics!"
- "When I illustrated Obelix's first baffe in 1959, I studied ancient combat!"
- "Every helmet, shield, and piece of Roman dignity scatters authentically!"
- "My art captures 2000 years of Celtic tradition - no Disney sanitization here!"
- "The dynamic action lines show the true force of traditional baffing!"
- "I researched museum artifacts to ensure accurate equipment scatter!"
- "Each illustration preserves ancient European warrior culture for posterity!"

CROSS-EXAMINATION QUESTIONS

- *"Mr. Uderzo, aren't your 'physics' just cartoon exaggeration for humor? Why is baffe such an important aspect of Gaulish culture?"*
- *"How can you claim historical accuracy in obviously fantastical artwork?"*
- *"Didn't you simply copy slap techniques from earlier American comics?"*
- *"Isn't your 'research' just looking at Hollywood Roman movies?"*
- *"Why does your art show impossible feats if it's historically authentic? They look erringly similar than Disney no?"*
- *"Aren't you just trying to make French comics seem superior to American ones?"*
- *"How do you explain magic potions if you're depicting real history? How can we be sure of your credibility? "*
